Mini Biography:

Born Joseph E. Olibrice in Port-au-Prince, Haiti with a French/Creole Dialect, emigrated to queens, NY in 1999 and now a citizen in both Countries. Nick Name: Edison; Professional with will and drive to succeed. Full of Potential and a charming personality; according to critics. Start to pursue the world of film/commercial in my High school senior year and Cast my first role as an undercover cop in "The book of Life", then a National Commercial "Fitting the pieces". Inspired by the Fresh Prince, AKA Will Smith; with his heart-fell performance in "The Pursuit of Happiness" which reflect my self image and make me a better Actor by improving my performance follow by more theatrical and commercial training.
