

# Codified Agency Regulations

Thursday, December 20, 2007

To receive the SAG Codified Agency Regulations, agencies licensed by the State of California can forward a copy of their bond along with a draft for \$7.50. Codified Agency Regulations and a letter of request to become franchised will be returned. Upon completion of requested information, an identification number will be assigned to the Franchised Agency. This number will identify that particular agency in the SAG system. This identification number is also required when the agency registers on [www.sag.org](http://www.sag.org)
