“SUMMER INTENSIVE”
JULY 29, 30 & 31

Movies and TV are the most collaborative form of story-telling the world has ever seen, and the collaboration extends to the pursuit of that work. There is a reason why the winners at all the awards shows roll off a long list of people who they want to thank. Nobody succeeds in this business without a team to help them and the 2011 summer intensive will be dedicated to that.

We have 54 events and over 70 industry professionals assembled to help you put that team together for yourself.

Cost: \$25. The summer intensive to open to both members and non-members of the conservatory. *(Please note: Currently registered 2010/11 Conservatory members DO NOT NEED TO pay or re-enroll for this event.)* **Deadline for this special offer is July 7, 2011. This offer is only good for enrollment in the summer intensive.**
