"It's such a great opportunity for SAG members to generate more work and having casting directors tap into them when they wouldn't have access otherwise. Every member should be in there."

– Nancy Foy, VP Feature Casting, Twentieth Century Fox

"Being in New Mexico, I often run out of actors and like to search other states such as Texas, Colorado and California. It's also great to be able to search by region and see all the New Mexico actors at once."
