Actor Bio:

After graduating with Honors from New York University's Tisch School and The Royal Academy of Dramatic Arts, Brendan began building a name for himself in New York's downtown, Indie Theater scene. But it wasn't long before the Independent film scene lured him away from the stage.

Currently, Brendan is based out of Los Angeles acting full time in independent films, television and national commercials. His first play, Jettison, was produced in New York last summer and he continues to "dabble" as a writer, director, & producer for online advertising and spec pilots.
