Clint Keepin SAG

Actor Bio:

Clint Keepin was born and raised in a small town in Northwestern Connecticut. Attending university at RIT in upstate New York, Clint fell in love with the world of film/television. It was here his training began and talent for performing in front of the camera was honed. He furthered his studies with classes at the New York Film Academy in Studio City, California, and relocated to Los Angeles shortly after graduating to focus on his acting career. He continued his training with Michaeljohn Gonzalez for on-screen and Carroll Day Kimble for voice.

Clint is eager to take his career forward. He is a consummate professional, in love with the collaborative nature of the business; striving to bring life to the writer's vision.

When not being melodramatic, Clint's hobbies include studying the art of Capoeira, watching Japanese anime, SCUBA diving, playing computer/board games, and reading science fiction novels. Yup, he's a geek...
