Actor Bio:

An exciting and talented actress, Meagan Flynn's star is rising. She has appeared in several recent independent films including Ty Jones's award winning "Last Breath" and Patrick Rea's "Now That You're Dead". She can also be seen questioning George Clooney as the 'cancer' flight attendant in Jason Reitman's Oscar-nominated "Up in the Air". She recently executive produced and starred in Nicholas Vedros' s "Adrift". She also directed, wrote and produced the short film, "Always Come Home." Meagan was an executive producer of the Emmy-award winning web series "The unReal Housewives of Kansas City" and is an executive producer and director of the web series "The Wingman." Meagan also works as a print model and has appeared in various ad campaigns for clients such as Sonic Drive-Ins, Sprint, and Hallmark. She was born and raised on a cattle ranch in beautiful southwestern Montana and graduated from Gonzaga University with honors. She's a passionate college basketball and football fan and watches all the Zags and KC Chiefs games she can.
